## Dear Community, Cross Country Carnival

Thank you to all of the people who helped with our school cross country last Wednesday, especially Ms Genge and Mr Lunson for setting up, and the SHS students and parent volunteers who helped on the checkpoints, ensuring the safety of our students. The students really appreciated the friendly way the checkpoint people helped to encourage and support them on their run. Please see our students' special thank you on the back of the newsletter. Thank you also to our Grade 6 leaders who helped to run with the younger students, ensuring they felt supported on the course. You did an amazing job. It was a magnificent day with students running with many smiling faces as shown by the photos included in this newsletter. Congratulations to Yathong, the winning house on the day with 1068 points.

## Congratulations to our grade champions:

## Cross Country Training

A reminder that the first 5 placegetters in grades 3-5 and the first 7 placegetters in grade received a letter last Friday to participate in the ENE Cross Country carnival at Winnaleah which will be held in 2 week's time.

Only students who have been selected to run at Winnaleah will now continue with the cross country training with Miss Duncan on Monday and /or Wednesday afternoons. A permission form for ENE and training needs to be returned to the school office by tomorrow. Students who did not make the ENE team are asked to return their washed training singlet to the office by the end of this week.

## School Nurse

We are very excited to welcome our new school nurse, Mrs Lauren Frost. Nurse Lauren will work with students to help support them with health and hygiene, and she is also able to complete vision and hearing checks.

## Welcome

Next week we welcome Miss Gaby Partridge, who will be assisting in Grade 1/2 Wheldon/Somerville-Hall and Mr Jordan Harper, who will be assisting in Grade 1/2 Nicholson for the next four weeks as part of their Professional Experience in training to become teachers.

## Scholastic Book Fair

A reminder to families that we are holding a book fair in the library this week. Reading is an extremely important skill and providing a book fair is one way that we encourage students to engage more with reading. Please take the time to come in and peruse the books.

## Walking School Bus

We had a great turn out for the National Walk Safely to School Day with 22 students participating in our walking school bus. Walking to school is a great way for our students to get some exercise before coming to school, which in turn can boost their learning

Kind regards, Carol Stingel, Principal
